

ANNUAL REPORT

"TOGETHER WE CAN; WE WILL"

"Together we can change the world, just one random act of kindness at a time."

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

"Together let us desire, conceive, and create the new structure of the future, which will embrace architecture and sculpture and painting in one unity and which will one day rise toward Heaven from the hands of a million workers like the crystal symbol of a new faith."

It is the changes that we all go through our lives that constantly improves us.

"Let today be the start of something new"

Through the Annual Report of S.D.City Public School, Hoshiarpur , reflects all, the Mission and philosophy of Sh Sanatan Dharma Sabha (Regd), Hoshiarpur has materialized positively in the day to day working of our school in the voyage of the discovery of excellence in the field of education.

This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CBSE's updated scholastic format and have been extremely successful in most of our endeavors. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society.

In SDCPS , we believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why, it is fair to say that we thus believe that the future of the world starts here. The session of 2023-24 was a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the School, Staff and Students undertook.

"Reach high, for stars lie hidden in your soul.

Dream deep, for every dream leads the goal."

There have been many changes at the School this year in terms of high expectations, communication, behavioural management, professional development, technology, and above all, academics.

Teachers worked together in various training sessions to align their curriculum and understand CBSE's updated scholastic pattern. This vertical alignment will assure that students are learning all that they should be as they progress through our academic program. Co-Scholastic is implemented in its true spirit for Students from Kindergarten Section to G-XII in our School.
